

PASEO FAMILY PHYSICIANS' NEWS

You're Invited – October 7th Women's Expo!

The women at Paseo are taking over – for three hours anyway. Care to join us? You're invited to a special event from 4:30 – 7:00 pm on Thursday, October 7th. We'll be offering free services (mini-facials, hand peels and DXA body fat compositions on a first-come basis), educational booths from our health care team and local businesses/organizations, freebies, prizes, special discounts, tasty refreshments and wine tasting to please every palate.

The event is limited to women (sorry, no guys or children allowed!). To learn more, visit our web site or ask a staff member.

See You Online!

Change is good and the Paseo Family Physician redesigned web site provides a fresh new look and even more information. Check us out at www.paseodocs.com.

PASEO PROVIDERS

Graeme Tolson, MD
Kevin Turner, MD
Vanessa Tartaglia, DO
Michael Underhill, DO
Matthew Anderson, MD
Dana Forred FNP-C

Think Pink!

October will soon be upon us with cooler weather and the important reminder of Breast Health month. Ladies, we encourage each of you to supplement your breast health care by incorporating your annual physical AND well-woman exam in one visit. With an emphasis on prevention and early detection based on your age, medical history and risk factors, your provider will complete an examination, conduct screenings, and listen to your concerns. Let's work together to keep you feeling your best.

Enjoy Personalized Skin Care

Interested in a conservative approach to skin care? Talk to your provider about starting an at-home regime with a personalized assessment and product recommendations. You can jump start your plan by scheduling a chemical peel to improve the texture of facial skin, treat wrinkles, reduce fine lines and treat certain types of acne.

Check the web site or visit the front desk for fall discounts on peels, PCA SKIN products and the Clarisonic cleansing system.
