

Here's a sneak peek at our new look!

November 15, 2017

Dear Patient:

Paseo Primary Care Physicians has some exciting news to share!

We are pleased to announce, as of January 1, 2018, we are partnering with Summit Health Management (SHM) and several other Valley healthcare providers to form **Summit Medical Group Arizona**.

We are honored that you have chosen Paseo to care for you (and your family) over the years and promise to provide you with even better healthcare services through this new affiliation. Let us assure you that:

- **The Paseo physicians and staff members that you have come to know and trust will continue to be your primary care providers moving forward**
- **All current services will continue to be offered**
- **Our location will remain the same**

Our new affiliation with Summit Health Management will enable us to make patient care enhancements through collaboration with other Summit Medical Group Arizona providers.

We are entering into this partnership because we share Summit Health Management's philosophy and believe in keeping the physician-patient relationship at the center of all healthcare decisions. We look forward to bringing SHM's exceptional standard of care and customer service to our patients. To learn more about this partnership and how it will benefit you as a patient, please visit www.smgarizona.com.

Our physicians and staff are committed to a seamless transition to Summit Medical Group Arizona for our patients. You may see some changes along the way, but one thing you can count on—at **Paseo Primary Care Physicians, We Want to See You Well!**

Looking forward to seeing you at your next appointment!

Your partner in health,

Paseo Primary Care Physicians
